August 2017

Fellow Nomads:

During the doldrums of this hot Texas Summer, I hope everyone has been enjoying a good vacation in a cold climate or some fun times at the beach or in a pool. I don't know about you, but I'm already anxiously waiting for Fall to arrive with some cooler temperatures.

Our June meeting was a Cocktail Party and was sponsored, so we served upgraded food and drinks in a different format, as well as reduced the costs for visitors. From the good participation (69) and feedback, it is obvious that everyone who attended had a great time. Perhaps we can look into doing this again sometime next year.

Since we have no meeting in July, there is a sixty-day gap, and it can be easy to forget about our August meeting which is next Tuesday the 8th. Our speaker will be William R. Childs, Patent Attorney with Childs Law. He'll be talking about the many aspects of applying for and obtaining patents and this should be of great interest to anyone designing oil field tools and other products. We hope to see you there!

If you plan to attend – please – help us get a headcount by pre-registering.

Register on the NOMADS Website (www.nomads-international.com) or phone me at (832) 563-7616. Either one will be fine, and we thank you!

October 6th is the Nomads Golf Tournament at Black Horse Golf Club. We already have a number of sponsors and golfers; however, we still have a way to go in order to fill the course. Please help Nomads make this fundraiser, our only one of the year, a huge success by signing up to be a golfer or a sponsor. Put together a foursome with your friends, customers & vendors or consider sponsoring a hole, or perhaps a bronze, silver, gold or platinum sponsorship! If you can't do either of those, please volunteer to help out on the day of the tournament. Contact any NOMADS officer and they can assist you.

Wishing everyone the best,

Ken Gibbs
