

THE CARAVAN

NOMADS

The National Oil-equipment Manufacturers and Delegates Society

October 2017

Fellow NOMADS:

This beautiful cool Fall weather has given me an energy boost and I hope everyone is enjoying it as much as I am!

This month's President's Letter is a bit repetitive as some of this information was recently sent out in an e-mail. I apologize for that, but these things are important.

As you all know, Wanda will retire January 1st. Also, our Vice President, Lesley Jones, has decided not to take on the role as President in 2018 and has resigned from Nomads and our Treasurer, Travis March, has been transferred to The Netherlands.

We will now need to fill three officer positions for 2018 and have decided to postpone elections until March, which will give us time to handle things properly and not in a panic mode. The Executive Board has also voted to make Ted Crisp Vice President and Cliff Baldwin Secretary, effective immediately, and I will remain as President until March 2018. Stay tuned for further updates...

Ken Gibbs
NOMADS
2017 President

NOMADS

The National Oil-equipment Manufacturers and Delegates Society

The next NOMADS dinner meeting will be on Tuesday November 14th, 5:30 p.m., at HESS, and it is our annual Induction meeting where we welcome new members to NOMADS.

This year we have only three new applicants, two of whom will be able to attend, but we will welcome them to NOMADS with open arms and have a very nice meeting/party to do so.

Since we did not have the September meeting, we will upgrade the food and drink in November to be similar to the cocktail party we had in June, which was a big success.

Your attendance at this meeting is very important to support NOMADS so please plan to attend and make every effort to invite a guest(s), spouse or associate(s). To encourage this, we are lowering the guest fee for this meeting to \$25. (For Pre-Registered guests only). I look forward to seeing all of you there.

Ken Gibbs

***PLEASE – help us by PRE-REGISTERING for this meeting.
NO LATER THAN THE THURSDAY BEFORE THE MEETING.***

This helps us get the head count right and keeps our costs down.
