NOMADS

The National Oil-equipment Manufacturers and Delegates Society

MARCH 2018

Dear NOMADS,

It is my honor to take over the reins from Ken as your new President for 2018. I look forward to working closely with all of NOMADS' membership to continue improving our organization. Fortunately, like the warming weather of Spring, we are looking at an increasingly active Oil & Gas environment. I am optimistic we will see growth not only in the market but also in the breadth of our NOMADS membership.

With a focus on growing our membership this year, Cliff Baldwin, our new Vice President, has volunteered to head our new membership committee. Please be sure to visit with him, or any officer, about potential members or ideas to increase our population. We want to see your participation grow by inviting guests to our many events this year.

As for our annual kickoff cocktail party, we had a wonderful time with a great turnout of NOMADS members and friends enjoying Spanish paella and wine. Thanks to Ken and his wife, Ruthie, for hosting the event at their house. I couldn't have done it without my wife, Maria Jose, who essentially coordinated everything while I escaped to Brazil the week before.

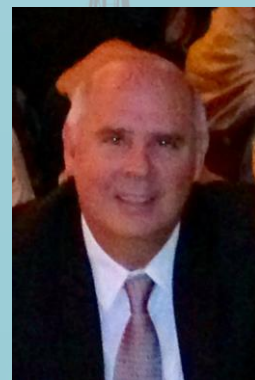

Please remember to sign up by Thursday, March 8th for the Regular Monthly Dinner meeting which is scheduled for Tuesday, March 13th. Our speaker is Art Schroeder of Safe Marine Transfer, LLC. Remember, it is important to sign up as soon as possible to provide The HESS Club with an accurate count and also take advantage of your two complimentary drink tickets. Please see the NOMADS website events calendar to quickly sign up: <https://nomads-international.com/>

One last note; we are still looking for few more volunteers to sign up for the OTC 2018 International Lounge. Please contact any of the officers if you are interested in volunteering.

As move further along in 2018, I look forward to working with all of you to make it an entertaining year and to support a growing NOMADS organization.

Best regards,

Ted Crisp
