APRIL 2018

Dear Nomads,

Spring is finally in the air and the first quarter of 2018 is quickly coming to a close. We had a busy Q1 with the Forecast Meeting and our Kickoff Cocktail Gala. Additionally, Art Schroeder, from Safe Marine Transfer, gave a very interesting presentation to us this month.

We have an exciting line up for our next three speakers in April, June and August. In April, Jed Niederer, VP of HSE Leadership Development for National Oilwell Varco will present on "Innovation in the Workplace". In June, Erin Urban, President & Founder of Urban Professional Performance Solutions will visit with us about effective transition techniques to better manage our careers with current employers or when seeking new professional opportunities. Finally, in August, we will have the pleasure to meet Congressman John Culberson, Representative for the 7th District. I am sure we can expect an enlightening presentation by Congressman Culberson regarding the many on-going political issues we are facing at the moment.

Regarding the upcoming Offshore Technology Conference (OTC) in May, I'd like to extend a thank you to all those NOMADS who have volunteered to host the International Lounge. The schedule is now complete and details will be forthcoming at April Regular meeting on April 10th.

Please do not forget to sign up by Thursday, April 5th, for the April 10th regular meeting. We would really appreciate your help so as to provide The HESS Club with an accurate headcount and...don't forget, to take advantage of your two complimentary drink tickets. Please see the NOMADS link for to quickly sign up at our website: www.nomads-international.com

Last but not least, MLB Opening Day is upon us and the Astros are back in town. We have four (4) Astros tickets available for Tuesday, April 3 versus the Baltimore Orioles. Please contact me or one of your NOMADS officers if interested.

Sincerely,
Ted Crisp
