NOMADS

The National Oil-equipment Manufacturers and Delegates Society

APRIL 2018

Amazing how fast time goes by; OTC week has arrived and I hope to see many of you this week at the International Lounge at OTC with your guests. Thanks to all of our volunteers providing hospitality this week at OTC; I know it will be another success for NOMADS.

It was great to see many of you at the innovation presentation given by Jed Niederer, VP of HSE Leadership Development for NOV. He was so impressed with NOMADS and our members that he has decided to become a member. Thank you to all who attended.

As April comes to close, we look forward to this week at OTC and our upcoming speakers. June 12th, Erin Urban, President & Founder of URBAN PROFESSIONAL PERFORMANCE SOLUTIONS, will present on the subject of transition techniques to better manage our careers with current employers or when searching for new professional opportunities. After our July recess, we will have the opportunity to hear from Congressman John Culberson, Representative for the 7th District in August. Please browse the NOMADS web site to sign up for our upcoming events.

A reminder that scholarship application time is now upon us and i ask each of you to spread the word amongst NOMADS members their potential applicants to apply. The scholarship program we offer is a great way that NOMADS gives back to the community and supports future leaders in our industry. Application forms are available on our web site.

Have a great OTC week!
