APRIL 2018

Dear Fellow NOMADS,

Just like increasing oil prices and drilling activity, temperatures have also increased quickly this late Spring. Let's hope that oil prices and drilling activity continue their upward trends but that temperatures moderate. With this introduction, I want to wish you all a Happy Summer and also remind all that Scholarship Application time is upon us. Don't forget that family members of NOMADS should complete and turn in their scholarship applications by the end of June. Please see the NOMADS website for application details.

In keeping with the theme of students, whose ultimate objective is to find meaningful employment, we are very excited to have Erin Urban, President and Founder of Urban Professional Performance Solutions, as our guest speaker at our June 12 Regular Meeting. Ms. Urban, who serves on the Forbes Coaches Council, is a certified professional & leadership development coach with a decade in mentoring and coaching successful professional transformations; her topic next week will focus on the subject of *How To Articulate Your Value & Create A Strategic Growth Plan*. This is a fascinating subject so please sign up ASAP to attend and learn more about how we can apply it to our ever-changing careers in the oil & gas market.

Also, during our cocktail hour before Ms. Urban's presentation, we will have the opportunity to visit with students who will be displaying their recent STEM scholarship winning projects. All in all, it should be an informative evening and a great networking opportunity for all.

As a networking organization ourselves, we look to support our NOMADS members; subsequently, on a limited basis, we will distribute information from our members for those seeking new career opportunities or looking to fill new positions available.

We look forward to seeing you all next week for our last regular meeting before the summer break. Then in August, we hope to see you when John Culberson will be our key note speaker.

Best regards,
Ted

Nomads is now billing semi-annually in lieu of quarterly.

On June 1, 2018 Regular Members were billed for 3rd & 4th quarter assessments (\$180).

In January 2019, Regular Members will be billed for 1st & 2nd quarter 2019 assessments (\$180) plus the annual dues (\$35).

Members may also choose to pay the entire yearly assessments & dues at one time (\$395).

If paying semi-annually will cause you any problems, please contact us and we will adjust to suit your needs
