AUGUST 2018

Dear Fellow NOMADS,

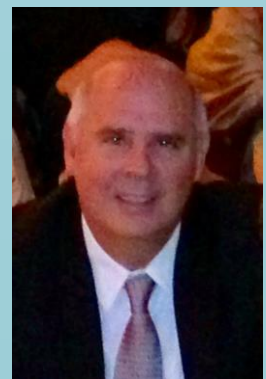

Thanks to all of you who turned out after the summer break for our August meeting to congratulate our Scholarship winner and hear from our keynote speaker, Congressman John Culberson. It was an exciting night to say the least.

We were pleased to announce our Scholarship winner and award to Ross Gravenkemper, a \$5000 scholarship for the 2018-2019 year. Ross will be attending Texas Tech and we wish him all the best in his endeavors this coming fall semester in Lubbock. Congratulations to Ross and all the student candidates who applied for the NOMADS Scholarship. And thank you to all the NOMADS members and Scholarship Committee who support this terrific program.

Following our scholarship presentation Congressman John Culberson gave a high energy speech about the inner workings of Congress, his activities in Washington and support of Texas' 7th District. It was a great turnout of NOMADS and guests to hear Congressman Culberson provide an exciting speech. We are also very appreciative for Congressman Culberson taking part in our Q&A session; I think we have a better idea now of how Washington works, the challenges we face and our responsibilities as voting citizens.

It is amazing that this summer is coming to an end with September just around the corner. With that said, we are looking forward to our next regular meeting, scheduled for Tuesday September 11th, which is less than three weeks away. September 11th is a date we all remember quite well, so it is fitting that we will hear from a gentleman who has been involved in defending our country. I am pleased to announce that US Army Combat Veteran Armando Clark Jr., who served 15 years including three combat tours in Iraq, will be our keynote speaker. Please visit our website to see his complete biography and sign up for our meeting. See you in September!

Sincerely,
Ted
