### January 2021

Dear Fellow Nomads:

I hope everyone enjoyed a wonderful Holiday Season. I am thankful the long presidential campaign and election is behind us and pray our new President and congress will work together for the benefit of our nation. We are all looking for a quick re-bound year for the oil and gas Industry as well.

I would like to start this year by saying thank you for giving me the honor to act as Nomad's President for 2021. I look forward to the year ahead and will work hard to help ensure the wonderful spirit and traditions of Nomads continue. I take this role seriously and will put my full effort into giving our Organization the attention it deserves.

We need to thank 2020 President Donnie Bowen and outgoing regent Ken Gibbs for their years of service to Nomads, and also welcome in 2021 Treasurer, David Beard to our Board. Along with our Vice President John Dilorio and Sargent at Arms Tom Shrader, I have full confidence in our current Board and look forward to working with them through the year.

For those of you who have not already signed-up, we will be having the **Nomads 2021 Kick-Off Celebration** on Thursday January 28th. I'd like to personally ask each of you to make a sincere effort to attend and help Nomads get off to a great start for 2021! We have taken the difficult year behind us into consideration and have decided to have a no-charge Kickoff event for members. With Covid still effecting our city, I took the initiative to host our event outdoors at the new Kirby's Ice house Memorial Location. They recently opened a huge patio and have assured me our safety needs will be met. I know you will all have a nice evening of food, drinks, fun and fellowship mingling with all of the wonderful Nomads members and their guests.

What? 2021 NOMADS Kickoff Event

Where: Kirby's Ice House 1015 Gessner Road 77055

When? 6-9PM

We recommend business casual attire due to the more relaxed theme of our evening. A flyer with details is attached again and we certainly hope you can be there.

I look forward to working alongside Natalie to make 2021 a year of growth. We are working to increase our online presence and will be incorporating new technologies that will help all of our members get some added visibility and opportunities. We have some exciting speakers already lined up this Spring and will be sending the details in the February Caravan. I hope to see you all in a few weeks at the Kickoff event!
